The Honorable Tom Cole  
Chair  
House Committee on Appropriations  
H-307 The Capitol  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 LHOB  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Highland Falls Sewer Rehabilitation project in Fiscal Year 2027. The entity to receive funding for this project is the Village of Highland Falls, located at 303 Main Street, Highland Falls, NY, 10928. The physical address of this project is 85 Rose Drive, Highland Falls, NY, 10928. The funding would be used to support the relining of 10,000 linear feet of 10-inch sewer main pipe and the rehabilitation of 60 manholes due to the age of the waste collection system in the Village. The project is an appropriate use of taxpayer funds because it addresses an urgent need to prevent sewage overflows, benefiting the whole Highland Falls community, particularly underserved residents.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Patrick K. Ryan", with a long horizontal flourish extending to the right.

Member of Congress
